

SERVICE LETTER Z03-034-2

1.0 EFFECTIVITY: Spectrum Electrostatic Sprayers, Inc. Kit Part No. Z03K000, Z03K000A, Z03K000B, Z03K000C, Z03K000R, Z03K000AR, Z03K000BR, Z03K000CR, all serial numbers.

2.0 PURPOSE: The Z03-034-1 Meter Panel Unit (MPU) is no longer available. This Service Letter allows for alternate part number Z03-034-2 MPU to be used. The Z03-034-2 Meter Panel Unit is the same in fit, form and function as the Z03-034-1. The -1 and -2 MPUs are interchangeable with no other modifications required. The Z03-034-2 is provided with kits manufactured after June 2004.

3.0 SPECIAL TOOLS AND EQUIPMENT: Not applicable

4.0 INSTRUCTIONS: To install the Z03-034-2 MPU in place the Z03-034-1 MPU disconnect the cable from the -1 and remove the -1 MPU. Use the same mount mechanism and install the -2 MPU, connect the cable. The system is ready for operation. No other modifications or system calibrations are required. Make appropriate log book entries.

5.0 COMPLIANCE: Compliance is mandatory.

6.0 MANPOWER REQUIREMENTS: No additional man-hours are required for compliance.

7.0 PARTS: When ordering replacement for Z03-034-1 MPU, order part number Z03-034-2.
